My pet, how I love her! My pet, speaking of her (say)
I bet there's nobody like my pet

Why pet with another? My pet pets no other
And I pet nobody but my pet

(BA - DAA! BAD-AHH! ETC.)
Sweet and kind, so refined, a perfect gem.
Has she got "it"? Lots of "it"! Oh baby, she's got
them!

My pet told me cutely I'm set absolutely
So I pet nobody but my pet
