

R1 REEFER MAN

SAX SOLO

Have you ever met that funny reefer man? (REEFER MAN!)
Have you ever met that funny reefer man? (REEFER MAN!)
If his cigarettes are stinky and his eyes are red and blinky
Then you know I'm talkin' bout that reefer man

SAX SOLO

Have you ever met that funny reefer man? (YES I HAVE!)
Have you ever met that funny reefer man? (HE'S RIGHT HERE!!)
If he smokes like Mr. Ed then he must be brain dead
You know I'm talkin' bout that reefer man

BASS SOLO

Have you ever met that funny reefer man? (REEFER PERSON!)
Have you ever met that funny reefer man? (REEFER WOMAN!)
You can tell that Will's been with him if the banjo's out of rhythm
You know I'm talkin' bout that reefer man

GUITAR SOLO

Have you ever met that funny reefer man? (THE DOC IS RIPPED!)
Have you ever met that funny reefer man? (HIS WIG IS FLIPPED!)
If he laughs hard at my jokes then you know he really smokes
You know I'm talkin' bout that reefer man
